WELCOME TO THE AUSTRALIAN HISTORIC TOURING CAR ASSOCIATION

We are about Historic Touring Car Racing.

The aim of the Association is to raise the profile and public awareness of Historic Touring Car Racing in Australia and to represent the individual State Historic Touring Car Clubs and Associations to the motorsport regulators and major event organisers in a professional, unified and consistent manner.

And to assist all stakeholders to ensure that Australian Historic Touring Car racing remains an appealing and viable motorsport category

New Website...

G'day ,

The AHTCA has a new website, and we hope it will be your preferred way of finding information about Historic Touring Cars - Group N.

The new website contains a lot of new features:

A National calendar for Group N events;

Each State's event calendar;

A News section, which has all the AHTCA Newsletters;

Reference Sheets for each Group N car – all the rules in one document –which you can access online via your phone, tablet or computer, and even print it;

Quicker ways to contact Eligibility Officers and AHTCA State delegates;

Quick links to your State Club websites;

Minutes of the AHTCA's meetings.

Your AHTCA delegates hope that you enjoy this new website. We would welcome your feedback and suggestions to make the AHTCA website bigger and better.

Control Tyre(s)

Probably the most boring topic ever discussed, but it does raise its head every now and again. People say 'it'll save money' or 'bring the field closer' or 'something else'.

The AHTCA has had initial discussions amongst themselves, but before we go any further we would like to know what YOU think about the idea.

So please take this quick survey. If there is large interest your AHTCA will start looking to see what might best suit all historic touring cars.
